A critical step in GMAT preparation is practicing your skills on mock exams that are structured in the same manner as the actual test. This publication offers 1,001 questions (and answers) to help you hone your skills, identify weaknesses, and build your confidence in the Verbal and Quantitative sections of the GMAT. As an added bonus, these questions will help you to identify the typical tricks and traps that the GMAT writers tend to use over and over again. For many students, the greatest obstacle to business school admission is getting a top GMAT score. For something this important, they need every advantage they can possibly get. Use this publication to get the critical edge that you

deserve.
