My wonderful husband loved this map of Northern Tanzania. It was clear, detailed, and easy to follow.

TMB has been publishing a map of Mount Kilimanjaro for fifteen years! This 4th edition includes an exceptional value-added map of Northern Tanzania and Southern Kenya that should prove to be very useful to end users, who can now use one map from landing in Nairobi or Dar to reach the mountain park, travel the Serengeti all the way to Lake Victoria, and loop back to Dar es Salaam via the new highway through Dodomo. Inset maps of Arusha, Dar, and Stone City in Zanzibar are included. This new map is issued without increasing the price!
