By Marilyn Cramer This book is especially great for those people who aren't sure what their life purpose is, or what type of career they would really be happy in. Teenagers, young adults and adults of all ages would find this book to be very helpful in deciding what career path they should take for complete happiness. It's a real "how to" book, and the author's methods work. The material covered in this book is easy, fast reading and fun. 0 of 4 people found the following review helpful. Can't say

muchBy DocTheologyWell, I gave this only one star, not because the book is bad but because the book never came. The bookstore even promised me some money to pull down my rating on their storeit seemed like a bribe to me so that honesty would not be seen. I cannot say Yea or Nay to the book, but it was never shipped, the USPS never received it, and now almost two months later the book still has never arrived.

10 Insider Secrets to a Winning Job Search offers a complete step-by-step roadmap on how to get the job you want--fast--even in tough times! This book will motivate you, increase your self-confidence, and show you how to sell yourself so companies want to hire you. You'll have an unfair advantage when searching for a job! Todd Bermont shares with you the secrets he has learned to find a job in any economy, secrets that he used to get six job offers his senior year of college, to land three job offers in one week during a recession, and to earn numerous job promotions since. Additionally, having also been a hiring manager, Todd gives you a behind-the-scenes look into the hiring process that will give you another unfair advantage. With this book you'll: * Develop and maintain a winning attitude throughout your job search. * Convince companies to hire you...even when no positions are available.

"...This book gives you up-to-date and essential tips and techniques you need to get the job you want..." -- Brian Tracy, author, speaker, and consultant
"Comprehensive. Extrordinarily timely and shrewdly perceptive." -- The Book Reader
"Excellent...outstanding...the best job-hunting book I have ever read!" -- Les Brown, author of Live Your Dreams
"Great strategies to crush fears of finding a job and practical ways to release power to get the job..." -- Karen S. Hinds, author of Get along, Get Ahead
From the Author
Congratulations! You have taken the first step toward obtaining the job you have always wanted. This book is written to give you an unfair advantage in your job search. After reading this book you'll feel great about yourself and the job hunt. Most importantly, you'll interview to win and get the job you want fast, regardless of how tough the economy is! You could read eight separate books on Careers, Cover Letters, Interviewing, Job Hunting, Motivation, Negotiating, Networking and Resumes, and still not get the information you'll find in this book! Everything you need, to get the job you want, is right this book! Learn From Experience Not Theory! This book is based on my own proven success, as a hiring manager, as an employee, and as a job seeker. I have been in your shoes. I know what you are going through, and what it will take for you to thrive in today's job market. I have also been in the interviewer's shoes and I'll tell you what will go through their minds when they interview you. My goal in writing this book is to make you victorious by sharing the secrets I have learned from 20 years of successful job hiring, job hunting and job interviewing. The Secrets in This Book Work! Using these secrets, I have found jobs in tough economies, received six job offers my senior year of college, earned numerous job promotions, and landed three offers in one week during the last recession! You, too, can achieve this kind of success if you embrace this book. You'll triumph not only in job hunting and interviewing, but also in life!
