**Todd Bermont : 10 Insider Secrets To Job Hunting Success! Everything You Need To Get The Job You Want In 24 Hours -- Or Less!** before purchasing it in order to gage whether or not it would be worth my time, and all praised 10 Insider Secrets To Job Hunting Success! Everything You Need To Get The Job You Want In 24 Hours -- Or Less!:

0 of 0 people found the following review helpful. Good book overall but does not cover important fundamentalsBy dydzThis is a good book overall. However it does not cover several important fundamental topics. First, the book does not cover salary negotiation tactics during an interview. Second, this bookdoes not include enough sample follow-up letters. Third, this book only focuses on the traditional person-to person interviews.Todd does not discuss panel interviews, telephone interviews,and dinner interviews. However, I did implement the "express mail" tatic he sugessted. Also, the book has a great variety of interview questions. I was asked several of the questions during my

last two interviews!9 of 10 people found the following review helpful. There are better books on the subject out there...By A CustomerThis book is a very quick read, just a couple of hours. It is mostly motivational with little of substance. Most of the book is simple common sense. His top **\*\*Insider\*\*** places to find job opportunities are the newspaper and Internet job sites. Wow, hadn't thought of those.Skip this one and find something better.1 of 5 people found the following review helpful. Fantastic!By A CustomerI recently took a class at the University of Chicago taught by the author of this book Todd Bermont. As a part of the course, I read Todd's book, "10 Insider Secrets To Job Hunting Success!"Amazingly in one book, Todd covers everything I wanted to know about job hunting. I now have a solid game plan for my job hunt and I know I will succeed.Thank you Todd for motivating me in these tough times.
