Amy Solomon, Lori Tyler, Terry Taylor : 100% Career Success (TEST series page) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 100% Career Success (TEST series page):

0 of 0 people found the following review helpful. Five Stars By Brianna Rusk Like brand new 0 of 1 people found the following review helpful. common sense information. By Wilderness1 derer Like most text books it just ok. It's a lot of common sense stuff this should not have to be taught in a college class or at least we should not have to pay to be taught this type of stuff.

100% Career Success is part of the new 100% Success Series that is directed at the development of professional skills and characteristics that begin in college and extend through the job search and into the lifelong learning environment of the workplace. 100% Career Success provides guidelines for self and professional development that creates the foundation for success in professional and personal life.

Chapter 1: Finances after Graduation Chapter 2: Legal Issues in the Workplace Chapter 3: Business Communication Chapter 4: Informational Skills Chapter 5: Time Management Chapter 5: Time Management Chapter 6: Project

Management Chapter 7: Professionalism in the Workplace Chapter 8: Career Advancement Strategies About the Author Amy Solomon has been a successful program director and faculty member in career school, community college, and clinical occupational therapy settings. She is an accreditation evaluator for the Accreditation Council for Occupational Therapy Education (ACOTE) and has supervised and coached academic and clinical faculty. In addition to developing academic programs and courses, Ms. Solomon has authored, edited, and reviewed textbooks, ancillary materials, and academic reports such as self-studies and other documents. Ms. Solomon's experience contributes to a thorough understanding of curriculum, adult learners, accreditation issues, and faculty development needs. As an educator for twenty years, Lori held various positions including instructor, program chair, and academic dean. During her time in education, providing quality curriculum, ensuring high student satisfaction, and achieving institutional compliance while being fiscally sound, were high on her list of accomplishments. In 2005, Lori developed her own company. Lori Tyler Associates has been successful in authoring and co-authoring numerous textbooks, developing multimedia materials, and creating online and on-ground training programs for education institutions, corporate businesses, and publishing entities. In addition to material development, Lori travels throughout the United States conducting workshops on various topics and providing advice on how to achieve effective training programs. Terry Taylor, Ph.D., is employed by Quantum Integrations in Denver, CO.
