Foulsham Co. Ltd : 1000 English Idioms Explained (English Language) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 1000 English Idioms Explained (English Language):

0 of 0 people found the following review helpful. British...and sometimes not idioms By Toby First of all this is very British, which is fine if it were advertised that way. But, I personally was not in the market for this kind of book.

Furthermore, sometimes it is not about idioms. Often it will give a history of a word like 'barber', but that is not an idiom, just a word. 0 of 1 people found the following review helpful. Bought for a friend from Argentina By Customer covers some, but not even all of the common ones that we have discovered together over the years. We keep a list on our white board at the office. We plan to do one a day for the next year! 0 of 1 people found the following review helpful. I like it. By Chen-Yu Liu The book is very useful and illustrative. I found many interesting stories behind Idioms. It helps me remember. I really like it.

We are privileged. We have been taught to use the world's finest language as a matter of routine. What's more we have a deep understanding of it. Or do we? Almost certainly you have not been told of the intricate social dynamics that have gone into so many of the words and phrases we use today. The fascinating and intriguing little stories that add so much to our appreciation of the elegance of our language. This little book gives you a wealth of history and insight.
