Norman W. Schur : 1000 Most Important Words: For Anyone and Everyone Who Has Something to Say before purchasing it in order to gauge whether or not it would be worth my time, and all praised 1000 Most Important Words: For Anyone and Everyone Who Has Something to Say:

1 of 1 people found the following review helpful. Only the Brave Dare to Read This BookBy P. E. HooverIf you are like me, you certainly do not have a massive vocabulary. I quickly learned how bad it was, just as bad as I thought it might be. That is why I bought this book. I was needing to learn more about words (I am a writer, a business woman, and I have an older sister who likes to tease me with her vast vocabulary, sending me running for the nearest dictionary, just to understand what she said!) However I quickly found, it takes a brave soul to venture the pages of this book...but it has been worth the effort and journey. I found it one of the best books written on improving one's vocabulary. If this is your aim, than snatch up a copy and chart your course, matey.0 of 0 people found the following review helpful. This author is the best expert, and this book contained both the mostBy Marty NemkoI've now read a number of such books. This author is the best expert, and this book contained both the most, ahem, apposite, words as well as the most precise and interesting definitions and associated information. Candidly, as a verbivore, I knew 99% of these words already but for the average college-educated person, this is worth studying.0 of 0 people found the following review helpful. But this and other Shur voco booksBy RegmacShur is well known for his voco books. This one is great.he also has a number of other voco books. Look for and enjoy them.

Based on the contention that we do not utilize speech to its fullest extent, this guide is an essential aide to unlocking our "passive" vocabularies and developing a keener appreciation of the richness of language.Indispensable For Writers, Speakers, Teachers!-- Enrich your vocabulary-- Express yourself clearly -- and beautifully-- Fun and easy to use!

From the Inside FlapBased on the contention that we do not utilize speech to its fullest extent, this guide is an essential aide to unlocking our "passive" vocabularies and developing a keener appreciation of the richness of language. Indispensable For Writers, Speakers, Teachers!-- Enrich your vocabulary-- Express yourself clearly -- and beautifully-- Fun and easy to use!About the AuthorNorman W. Schur(19071992) was the author of 1000 Most Important Words, Practical English: 1000 Most Effective Words, 1000 Most Challenging Words, and 1000 Most Obscure Words.
