**Jay A. Block : 101 Best Resumes to Sell Yourself** before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Best Resumes to Sell Yourself:

0 of 0 people found the following review helpful. You could easily find resume samples and information online and resumes have ...By GabrielleYou could easily find resume samples and information online and resumes have come a long way since this book was published.0 of 0 people found the following review helpful. It must be good because it disappearedBy Bargain BurnyRepurchased. It must be good because it disappeared.0 of 0 people found the following review helpful. A good book but...By B. MontieI have actually read this book several times and I have found it very useful. The only problem I have had with it is that the author helps you think about all this great information about yourself but it is not always apparent where it will be used in the actual resume. It's a very sophisticated way of writing resumes and a little more guidance would be nice.

Endorsed by the Professional Association of Resume Writers, resume-writing strategies that get candidates noticed and interviewed. *101 Best Resumes to Sell Yourself* explains how to transform a resume from a dry listing of employment history, education, and hobbies into a dynamic, value-based tool. Outlining a step-by-step process for "personal branding" uncovering and emphasizing a job seeker's unique selling proposition it offers dozens of tips, tactics, and techniques for professionally packaging and positioning anyone for the employment marketplace. Bestselling author Jay Block's newest book emphasizes a marketing-based, strategic approach. It incorporates a resume-writing workshop feature and includes numerous sample cover letters, all innovatively organized by occupational category rather than job type.

From the Back Cover A standard cookie-cutter resume won't help you stand out! Let Jay Block, internationally certified career coach, resume strategist, and best-selling author, teach you a new, groundbreaking, value-based approach to resume writing that will make employers sit up and take notice. Step-by-step you'll learn how to create an exceptional resume that will showcase your value and your ability to contribute to the organizations you wish to work for. In *101 Best Resumes to Sell Yourself*, you'll find: An entirely new method for generating interest in your resume using the Organizational Message Chart model. A new, powerful "Showcase Format" for resumes that is highly effective in grabbing the reader's attention and is fully endorsed by the Professional Association of Resume Writers and Career Coaches. 101 proven sample resumes from a broad variety of occupations, from business and health care to technology and the arts. Attention-getting sample cover letters that will reinforce your personal value message. A "personal resume workshop," complete with worksheets and examples to help you craft your resume. Tips and techniques for all areas of your job search, including the interview, juggling different job offers, online job searching, and managing delicate salary negotiations. Packed full of tips, tactics, and techniques that help you package and position yourself, *101 Best Resumes to Sell Yourself* empowers you to set yourself apart from the pack. Your resume stands out and sets the stage for you to ace your interview and land your dream job! About the Author Jay A. Block, CPRW (Certified Professional Resume Writer), is the contributing cofounder of the Professional Association of Resume Writers and Career Coaches. He has written four previous books on the subject of resume writing and has pioneered the strategic, value-based approach to crafting effective resumes.
