Profession:

23 of 24 people found the following review helpful. Great, but not up to date
By Kenneth A. Piccolo
This book was great for me, but a little disappointing, as it was pretty out of date. The copyright was 2002 and a lot of the careers listed don't even exist anymore. Furthermore, I paid more than the book was worth because it was out of print, as well, and hard to find. My copy came out a public library! Overall, it was good to get some general idea of new career directions for a teacher, but it was just good as a directional beacon. To really dig deeper would require more research, via the internet.
1 of 1 people found the following review helpful. Three Stars
By done
This did not tell me anything I didn't already know.
2 of 2 people found the following review helpful. 101 careers alternatives for teachers.
By mrgp
The book was a little dated. It had some good ideas but nothing that fit what I am looking for. The test was disappointing so maybe an adjustment to the the test to include other careers or have a test that fit more people's abilities.

The Job-Search Resource for Teachers Considering a New Career
Teachers, are you ready for a career change? Today, turnover rates within the education industry are skyrocketing. Teachers as a group have extraordinary skills that are highly valued in the marketplace. But where does that leave you? Exactly where do you begin the whole vocation-switching process? In 101 Career Alternatives for Teachers, you'll discover: How to assess your career goals The best fields for your particular teaching skills and expertise Practical and effective ways to launch your job search The most attractive and lucrative career alternatives And much more! Unlike most career guides, this one-of-a-kind resource is geared specifically to you, the teacher. You'll find more than 100 exciting job alternatives ranging from adventure travel specialist to wedding consultant. Whether you're retiring from teaching or simply leaving the profession, experienced educator Margaret Gisler will provide you with everything you need to successfully make the transition from teaching to your new vocation.
