1 of 1 people found the following review helpful. In particular I liked reading about Elon Musk
By john whiter
Enjoyable read for any person interested in learning about how to become successful in business and life. Focus is on 10 billionaires who have made their fortune in a variety of different endeavors, but all share similar qualities and principles of success. In particular I liked reading about Elon Musk, as he is an inspiration to me as he started Tesla and Solar City, and is a real visionary and leader. Overall very interesting read and well written. Highly recommend.

Conclusion

Warren Buffett's Fact #10: Buffett spends 80% of his day reading at the office. When being asked for advice on how to get smarter during one of his interview, he held up a stacks of paper and said read 500 pages like this every day. Thats how knowledge builds up, like compound interest.
