Steve Sjogren, Janie Sjogren : 101 Ways to Reinvest Your Life before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Ways to Reinvest Your Life:

You dont have to spend your second half of life twiddling your thumbs. And you arent fated for an RV and faded

bumper sticker announcing: "Retired, and spending my children's inheritance." Despite the notion that retirement means only fun and frivolity, members of the baby boomer generation view their latter years quite differently through the eyes of a life reinvestor. A life reinvestor uses talent, background, and spiritual gifts to follow dreams that have taken a backseat during the busy years of building a career and rearing a family. Rather than contemplating the pursuit of personal pleasure during retirement, a life reinvestor finds ways to invest in the lives of others. In *101 Ways to Reinvest Your Life*, Steve and Janie Sjogren show you specific ways to use your God-given abilities and hard-earned skills to make a difference in the lives of others. Decide to make the rest of your life the best of your life!
