very informative and sometimes downright funny. Certainly spent some time on research as it is down to earth and correct. Our family loves the book and we have already spent hours reading all the little tidbits the consumer doesn't know. I give this book five stars and will buy it again for gifts to my family. 2 of 2 people found the following review helpful. Very interesting, couldn't put it down! By B. Nichols I couldn't put this book down, even the parts that I thought wouldn't pertain to my life! Very interesting and easy to read. A little pricey but worth it in my opinion.
