0 of 0 people found the following review helpful. Timely information to save big bucksBy Leiaexactly what I needed to get a high school senior off his butt to do something. Convinced that he couldn't do the college thing but wanted to learn a trade. He found what he was looking for in the book. Arrived a day or two late. Might have been weather related. Easy to read. Timely. Lots of sources.0 of 3 people found the following review helpful. Five StarsBy Beverley TaylorThis was a big help to the research that I was involved with.

This book opens your eyes to the many career possibilities through apprenticeships and includes more than 60 best jobs lists and detailed descriptions of the 200 best apprenticeable jobs. The best apprenticeable jobs lists are organized

by pay, growth through 2016, openings, 16 career cluster/interest areas, Holland personality types, high-growth industries, number of apprenticeship years required, union membership, percentage of women and men in the jobs, and popularity.
