AngerameNowhere is it more important to stand out above the competition than in a focused job search. In a crowded field, we need tools to guide us in that pursuit. Enter, 201 Killer Cover Letters. Applying time-tested techniques to the ever-changing world of identifying, evaluating and securing the perfect candidate, Podesta and Paxton leave no stone unturned in showing you how to increase the likelihood that you're distinguished in that light. A dynamic, vibrant and exciting cover letter assures that the candidate submitting it possesses those identical traits. This book provides the reader with "killer" cover letters for any intended employer. But it doesn't end there. Packed with advice on how to navigate through the intricate world of the job search, this book is your compass for the journey. It helped me navigate through the "how-to" of an effective job search and the cover letter exercises assisted me in focusing on my strengths and, together with the letters provided,

the task of composing a dynamic cover letter, became much easier. I recommend it enthusiastically and without reservation. 0 of 0 people found the following review helpful. Great book By shakey kessisian Excellent resource with great advice on how to navigate through finding a new career and sample cover letters to set you apart. 0 of 0 people found the following review helpful. Eh By Christopher Mullins I did not feel that this book was worth the price, all the information is searchable online. This book doesn't offer anything that you cannot find on your own with a google search. I feel the book should be priced at around 1.99\$, save yourself the trouble.

THE BESTSELLING GUIDE TO WRITING COVER LETTERS THAT MAKE YOU STAND OUT FROM THE COMPETITION With hundreds of ready-to-download letters--updated with strategies for networking online, social media, and responding to Internet job postings.
