Zenja Glass : 25 Reasons Why I Won't Hire You! What You Did Wrong Before, During and After the Interview -2nd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised 25 Reasons Why I Won't Hire You! What You Did Wrong Before, During and After the Interview -2nd Edition:

0 of 1 people found the following review helpful. A Must Read BookBy MDSThis book is a must read for first time job seekers or anyone who has found difficulty finding a job. The 25 reasons outlined in this book provide a good foundation of knowledge on the most common mistakes made by job seekers of all ages. It is an honest and refreshing look at some of the challenges that one faces when looking for a job. I particularly enjoyed the section of the book that focused on your previous employer and the importance of choosing your words carefully. This book is an excellent addition to any library that will serve as a great reference.

This book addresses what most hiring authorities can NEVER say to job applicants. It is a straightforward, easy-to-read, career book that focuses on the top 25 mistakes job seekers continue to make before, during and after their interviews. It teaches them the ways to avoid making those same mistakes. A MUST HAVE for every job seeker!

"The sad thing is that we can't tell the candidates what we really want to say. Many of them are qualified for the positions; however, they ruin their chances by some of the mistakes they make. There are so many factors that we as the hiring managers have to consider when deciding to hire someone. This book seems to have addressed all of them. I am glad Zenja Glass wrote this book. I wish I could have given a copy of it to the lady that I just interviewed. She needs it." --Director of Accounting
"I wish I could buy a copy for every job seeker that walks into my office. She address so many issues that we simply can't discuss. It doesn't matter if job seekers have 30 years of experience, or if they are new college graduates. I highly recommend this book for everyone." --Director of Human Resources
25 Reasons Why I Won't Hire You! by Zenja Glass, was written for anyone in need of job-seeking advice... It is divided into three sections. Before the Interview (which includes great resume tips); During the Interview, and After the Interview. The book is filled with tidbits and examples that almost anyone can relate to." --Editorial Comment-
