motivation and goal setting into the process. I especially liked the concept of developing an action plan and treating the process of finding a job as a job campaign instead of a job search. This book has given me a sense of clarity of the specific strategy which I should take, and I have personally worked with him as my career coach to update my resume and assist me with my specific needs.0 of 0 people found the following review helpful. Great Reference for Thos Looking for WorkBy Rose06Good reference book for those starting out and looking for employment. Good tips and very clearly written. Great examples as well.0 of 0 people found the following review helpful. This is a great book. It is helping me a lot in ...By CustomerThis is a great book. It is helping me a lot in my job campaign. It's all about the "fear". Five steps.. 5 chapters, Jay breaks it down and makes it simple and easy to follow.
