Brian Patton, Bart Robinson : 50 Walks and Hikes in Banff National Park before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Walks and Hikes in Banff National Park:

12 of 12 people found the following review helpful. Easy to use By DSE This is a shorter, less detailed but more colorful version of the author's Canadian Rockies Trail Guide. It is likely adequate for most families visiting the Canadian Rockies and looking for hiking suggestions, but it is disappointing that the hikes are not rated in terms of difficulty and scenery. All hikes are not created equal. The Canadian Rockies covers a lot of territory, so you may have to drive a good ways to get to a trailhead, which leaves less time for hiking. But I also found "Don't Waste Your Time In The Canadian Rockies: The Opinionated Hiking Guide" too detailed and hard to use for vacationing hikers (as

opposed to residents and more frequent visitors).1 of 1 people found the following review helpful. For those who don't want to walk on the wild side.By ScottO49Good collection of hikes in Banff for people that want to stay on the beaten path, but see some spectacular sites.1 of 1 people found the following review helpful. Great informationBy cattoesGreat information on many different hikes and walks, glad I chose this one.

Brian Patton and Bart Robinson, authors of the best-selling Canadian Rockies Trail Guide, detail their favourite easy walks, short hikes, and day trips in one of the world's most spectacular national parks. Each trail is described in detail and accompanied by easy-to-understand symbols, a walking map, and colour photography. Other features include; detailed descriptions of 50 walks and hikes, plus dozens of side trips; trails classified by colour-coded regions; more than 100 stunning color photographs; 50 topographical maps; sources for information, maps, backcountry lodging, and transportation.

About the AuthorFor the past 35 years, Brian Patton has interpreted the natural and human history of the Canadian Rockies in books, on film and through presentations. His other books include the Canadian Rockies Trail Guide, Parkways of the Canadian Rockies, Tales from the Canadian Rockies, Mountain Chronicles: Jon Whyte and Bear Tales from the Canadian Rockies. He continues to work on a variety projects from his home in Invermere, British Columbia. Following the publication of the Canadian Rockies Trail Guide, Bart Robinson authored several books on the Canadian Rockies: Banff Springs: The Story of a Hotel, Columbia Icefield: A Solitude of Ice and Great Days in the Rockies: The Photographs of Byron Harmon. Subsequently, he has enjoyed a long career as a journalist, editor, and conservationist. He currently lives in Canmore, Alberta.
