The bestselling 501 Verbs Series is the #1 reference source for verb usage in virtually every major language. Its printed in two colors, features tinted page edges for ease of reference, and comes with extra help for students in the form of a CD-ROM. This edition presents the most important and most commonly used Italian verbs arranged alphabetically with English translations in chart form, one verb per page, and conjugated in all persons and tenses, both active and passive. The accompanying CD-ROM gives students extra practice with crossword puzzles and games. This combined book and software package is a comprehensive guide to verb usage with a wealth of reference material and language tips, including a bilingual list of more than 1,250 additional Italian verbs, helpful expressions and idioms for travelers, and verb drills and short tests with all questions answered and explained.
