From Pearson Longman : 80 Readings for Composition, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised 80 Readings for Composition, 2nd Edition:

This collection of professional and student essays is arranged thematically with four alternate tables of contents: rhetorical, argument, literature, and writing about the disciplines. No matter the approach you take in your composition course, this flexible, substantial, and engaging reader will answer your teaching needs. Available packaged with most Longman handbooks at no additional cost, this reader will also answer your students' need for a low cost (no cost!) collection of essays.
