Paul Falcone : 96 Great Interview Questions to Ask Before You Hire 1st (first) edition Text Only before purchasing it in order to gage whether or not it would be worth my time, and all praised 96 Great Interview Questions to Ask Before You Hire 1st (first) edition Text Only:

0 of 0 people found the following review helpful. It is a great tool that gives managers at all levels a solid ...By Grace D.Our company purchased this book for all our managers. It is a great tool that gives managers at all levels a solid foundation for tailoring their interviewing style. Feedback from our managers was positive. Most of the time, the basic interview questions are asked by hiring managers. How do you move beyond the questions that give back basic replies and commonplace answers and get to the REAL answers you're looking for? This book will help you craft your questions so that you get the information you need to determine if a candidate will be a good hire.0 of 0 people found the following review helpful. Basics only - not for experienced interviewsBy mburkhartNot worth it. The 96 interview questions presented in this book are extremely ordinary and not inventive in any way. The guide may be useful for someone who has never interviewed before and needs to learn the basics but if you're an experienced interviewer looking to up your game this book isn't for.1 of 1 people found the following review helpful. read and felt like a lot of it was usefull toBy adrianeed some tips to interviewing some people for my company, read and felt like a lot of it was usefull to me

Beneficial questions (and the reasons behind the usefulness of the questions) for the interviewer to use during the

interview of a potential hire.
