Paul Falcone : 96 Great Interview Questions to Ask Before You Hire before purchasing it in order to gage whether or not it would be worth my time, and all praised 96 Great Interview Questions to Ask Before You Hire:

0 of 0 people found the following review helpful. It is a great tool that gives managers at all levels a solid ...By Grace D.Our company purchased this book for all our managers. It is a great tool that gives managers at all levels a solid foundation for tailoring their interviewing style. Feedback from our managers was positive. Most of the time, the basic interview questions are asked by hiring managers. How do you move beyond the questions that give back basic replies and commonplace answers and get to the REAL answers you're looking for? This book will help you craft your

questions so that you get the information you need to determine if a candidate will be a good hire. 0 of 0 people found the following review helpful. Basics only - not for experienced interviews
By mburkhart
Not worth it. The 96 interview questions presented in this book are extremely ordinary and not inventive in any way. The guide may be useful for someone who has never interviewed before and needs to learn the basics but if you're an experienced interviewer looking to up your game this book isn't for.
1 of 1 people found the following review helpful. read and felt like a lot of it was usefull to
By adriane
eed some tips to interviewing some people for my company, read and felt like a lot of it was usefull to me

More than 100,000 copies sold!
Every harried interviewer knows the result of throwing out vague questions to potential employees: vague answers and potentially disastrous hiring decisions. Presented in a handy question-and-answer format, *96 Great Interview Questions to Ask Before You Hire* provides readers with the tools they need to elicit honest and complete information from job candidates, plus helpful hints on interpreting the responses. The book gives interviewers everything they need to: identify high-performance job candidates - probe beyond superficial answers - spot "red flags" indicating evasions or untruths - get references to provide real information - negotiate job offers to attract winners
Included in this revised and updated edition are new material on background checks, specific challenges posed by the up-and-coming millennial generation, and ideas for reinventing the employment application to gather more in-depth information than ever before. Packed with insightful questions, this book serves as a ready reference for both managers and human resources professionals alike.

Paul Falcone's books are real and applicable to the everyday life of Human Resources. They are for the front-line managers on how to lead effectively. PeopleG2
