From Reader's Digest : 99 Cent Solutions: Over 1,300 Smart uses for everyday stuff including clothespins to keep hems in place as you sew, wiping down the fridge with tomato ... produce a bumper crop (Save Time, Save Money) before purchasing it in order to gage whether or not it would be worth my time, and all praised 99 Cent Solutions: Over 1,300 Smart uses for everyday stuff including clothespins to keep hems in place as you sew, wiping down the fridge with tomato ... produce a bumper crop (Save Time, Save Money):

2 of 2 people found the following review helpful. Useful information
By S. L. Montag
Like everyone else I know, I'm interested in saving money. A friend of mind thought that spending money to get a book about saving money was kind of silly until she started reading it. I'm glad I read it first, however, because now she keeps giving me excuses about why she can't return it. She's kept it so long that I've seriously started thinking about charging her for half of the purchase price. If you like commonsense, useful suggestions for saving money, this will appeal to you. Some are ideas and suggestions I've read elsewhere, but others are truly useful and sound like they can be easily incorporated into a normal lifestyle. As my friend discovered, the purchase price was minimal compared to the money that can be saved. This is an update to my earlier review and I must confess that I now know why my friend didn't want to return the book. Not only does it give useful suggestions for saving money by reusing and repurposing every day items, but it also gives historical information about past American companies, some still in business, some not. If all this weren't enough, the author presents everything with a dry, subtle humor.

Nancy L
By Nancy Lathrop
I am intrigued by what can be used "in place of", especially when the results are usually better. I read it in my spare time in lieu of a novel. This is more amazing.

Cheap and Easy Solutions
By Kindle Customer
Book is organized well with great tips. I like the way the sections are divided up - makes it simple to find advice.
Price is good too!!

Save a fortune with over 1,300 easy solutions to hundreds of common household problems. You don't have to be rich to live well; now you can outfox the high cost of living the old-fashioned five-and-dime way. Don't be tempted by all of those new products on the shelves; instead, rediscover the power of those time-honored, thrifty household items your grandparents and parents used. You'll save a bundle with over 1,300 of these clever hints and tips: A Frisbee is a handy item to keep around the house and can be used as a portable pet dish, paint palette, and paper plate holder Hair spray is an inexpensive way to preserve flowers, remove pet hair from a couch, kill bugs, and stop static cling Cedar chips will drive fleas from a pet bed, keep snails at bay in your garden, and repel moths from your wool sweaters Furniture polish will spiff up hubcaps and bicycles, add shine to shower doors, and stop squeaky door hinges Glass cleaner will make your jewelry sparkle, relieve bee sting pain, dry out pimples, and shine patent leather shoes Aluminum foil makes a stunning wrap for a wedding gift, works effectively as a substitute for hair curlers in a pinch, and when placed under your ironing board cover will increase the efficiency of your iron An ice cream scoop can be used to measure the perfect amount of potting soil, shape butter into fancy shapes for a holiday dinner, and form perfect meatballs and cookies A pillowcase will dry lettuce in seconds, makes a cute summer dress for a child, covers a baby's changing pad, and functions as a travel laundry bag Knitting needles make stylish hair accessories, can serve as kebab holders for a fun fruit snack, function in place of toothpicks to test a cake's doneness, and can be used to protect your garden from invading critters
