1 of 1 people found the following review helpful. Very HelpfulBy K.McBrideI bought this for my son who is trying to

decide whether or not to add a culinary degree to his business degree. He loves to cook, but it is a huge decision. I sent this to him and he said it was helpful, that it gave great tips on what to do before making the leap. They should have these for ALL professions. 4 of 4 people found the following review helpful. Great Book By Kerry Sarna Relatively short but very informative. I would recommend this book to anyone who wants to learn about culinary school and the possible routes to take. 5 of 5 people found the following review helpful. Brilliant By Restaurant gal Insightful. Thought provoking. It strips away the food network's glamorous facade of the life of a chef. It's what every inspiring chef should read. Top-tiered chefs giving amazingly practical advice. Why hasn't this book been written before?
